

# AUR20720 Certificate II in Automotive Vocational Preparation

This is an introductory qualification which covers the skills and knowledge required to perform a limited range of tasks related to familiarisation and inspection of mechanical and electrical components, systems of vehicles and powered equipment. The course will suit students who enjoy mechanical processes and problem solving and may lead to employment in the broader automotive industry.

|                         |   |
|-------------------------|---|
| <b>Course Duration:</b> | 1 school year   |
| <b>Work Experience:</b> | 15 days minimum   |
